Seven-Day Sale of Remnants and Odds and Ends

Here's a Seven-Day Clean-up Sale, beginning Saturday morning and continuing until next Saturday night. After every successful season, after every big sale, we find stranded in all of our departments short lengths and broken lots of goods which good policy says should be disposed of at once. These lots we have sorted and classified for easy selling. They must go and the prices must furnish the motive power. You will find odd lengths of seasonable fabrics, you will find lines of garments where there are not all sizes, and for this reason you will find them on the bargain counter. You will find the merchandise is all good merchandise and merchandise with a far greater value than the prices we are asking. COME! HERE ARE THE THINGS YOU WANT AND NEED, AND AT WONDERFULLY LOW PRICES.
